ANNOUNCEMENT.
MR. EDITOR—Please announce D. A. PORTER as a Candidate for Sheriff at the next election and oblige his many friends in the
FORK.

THE NEWS HAS THE LARGEST CIRCULATION IN THE COUNTY

The Editor's absence in Columbia on professional business during the greater part of the week must be our excuse for certain inaccuracies and for want of local matter in our present issue.

We congratulate our contemporary and rival on its enlargement and improved appearance. The Orangeburg Times is a good paper in everything save its politics.

Mr. Ezekiel has moved from his old stand on Russell Street, to the stand formerly occupied by Messrs. Wm. M. Bain & Co., where you will find a full supply of choice family groceries. Also one of the finest and best assorted stock of jewelry, watches, clocks, spectacles and cutlery ever offered in this market. See ad.

KEEP THE HAIR UNBLEMISHED.—"I am like an old homestead—withered at the top," said a venerable Indian Chief, pointing to his thin and bleaching locks. Thousands of men and women in civilized society, much younger than the old Indians, are like him, "withered at the top," simply because they have neglected to use the means of preserving and beautifying the hair which science has placed at their disposal. If Lyon's Kaibabon be faithfully applied once or twice a day, to the fibers and the scalp, it is just as impossible that the hair should decay, wither, fall out or become harsh and fuzzy, as that a meadow, duly refreshed with nightly dews and sunlit rains, should become arid and barren of green blades. This matchless preparation not only keeps the hair alive and the skin of the head in a healthy and clean condition, but actually multiplies the elements and imparts to them a lustre, flexibility and wavy beauty unobtainable by any other mode of treatment. It does not, like the metallic and sulphurous hair dyes, dry up the natural moisture of the scalp, but supplies nutriment to the roots of the hair in vigor to the fibers.

Dr. Sage's Catarrh Remedy. \$500 reward for an incurable case. Sold by Druggists, or by mail, 60 cents. Address R. V. Pierce, M. D., Buffalo, N. Y.

VENETIAN BLINDS.—No invention was ever so important to the people of hot climates as the Venetian blind. Admitting the air and a shaded light, while keeping out the heat and glare, they are absolutely essential to comfort in this country. If the houses of any of our readers are destitute of these valuable contrivances, they should at once, before the hot weather sets in, send their orders to Mr. P. P. TOALE, No. 20 Hayne street, Charleston, S. C., manufacturer and dealer in doors, sashes, blinds, balusters, mouldings, &c., &c.
